Bashful Blooms

Plants used to create the planting are: Japanese Forest Grass, Fuschia Torenia, and White Bacopa.

Planting Directions: Plant the Japanese Forest Grass in the center of the pot. Plant the Fuschia Torenia tightly around the grass. Plant the remaining space with White Bacopa. In the fall the Perennial Japanese Forest Grass can be planted in the yard to salvage it.

Enchanted Garden

Plants used to create the planting are: Blue Arrows Grass, Purple Scaveola, Pink Angelonia, and Yellow Calibrochoa.

Planting Directions: Plant the Blue Grass in the middle of the pot and then plant the pink Angelonia around the grass. Next plant yellow Calibrochoa in the middle front of the pot and Scaveola on the sides.
