Look at Me!

Plants used to create the planting are:
Large Spike, Green & Red Sun Coleus, Red
Petunias, and Vinca Vine.

Planting Directions: Plant the Spike in the middle of
the pot. Plant Vinca vines along the edge in four equally
spaced places around the pot. Plant 2-3 red Petunias in
the pot spaced equally apart. Fill in the remainder of the
pot with sun Coleus in red or green.

Summer Dreams

Plants used to create the planting are:
White Caladium, White Wave Petunias, and
Pink African Daisy (Osteospermum)

Planting Directions: Plant the white Caladium in
the center of the pot. Plant one African Daisy
on each side of the Caladium. Fill the remainder
of the pot with white Wave Petunias.
