Fireworks

Plants used to create the planting are: Bon Fire Begonias, Purple Fountain Grass, and Lysmachia.

Planting Directions: Plant the purple fountain grass in the back of the pot. Plant Lysmachia in the front of the pot. Fill in the remaining space with Bon Fire Begonias.

In the Pink

Plants used to create the planting are: Pink Mandevilla Vine, Pink Angelonia, Purple Scaveola, and Pink Wave Petunias.

Use an obelisk of your choice and plant the Mandevilla near the base of this in the middle of the pot. Plant the Angelonia in a tight circle around the Mandevilla. Fill the remaining space with Petunias and Scaveola, alternating plants/colors.
